Stewards Corner

Welcome to the February edition of Cupids Corner the newest on-line dating site for singles, couples, swingers, or just about anyone who likes good food at great prices. We'll match you with great savings, a good time, and delicious food. There is no app, but you can go directly to our website or face-book page to (hook up with your good time).

February brings a few things for us to have a good time with. First of the Big Game on Feb 3rd. We will have food, and drink specials from kick off, to game end. I know some of these other places promise you free food and deliver cheese and crackers. There will be football food!!! No need to go anywhere else. We traditionally offer Lobster on Valentine's Day so you can wine and dine your special someone without breaking the bank. We will do so again this year.

NASCAR arrives back with Daytona. There will be a few changes as far as NASCAR is concerned. We will no longer have televisions dedicated to NASCAR. Instead we will play various sporting events as well. We will still have 30 cent wings and 25 cents off beverages. Those specials will now begin at 2:00 until 6:00pm instead of race start until end.

There is DJ Brian on the 16th and free jukebox the rest of the Saturdays with 25 cents off beverages. Monday night meals are hard to beat for \$2.95.

Cupids Corner might not find you love, but it will find love for your wallet.

As Always

Hope to see you soon
