Stewards Corner

Hello everyone, welcome to this months edition of the Stewards Corner. This is the month we celebrate our country’s independence from bloody old England and King George. July 4th became a special day as it was the day the continental congress voted, and declared, that we were a free country. With the declaration of independence for King George and the bill of rights for you and I. Home of the free and the land of the brave later became the expression of our sovereignty. Sadly, now most of that is eroded. We now want dependence. What can the government do for me, or, what can I get for free from anyone else. Rights you have no rights, you will be tried and convicted on social media, or any other media for that matter, regardless of any impropriety ever happening. Land of the free, how is that working for you? You are penalized for working hard and saving to better your life by the new King George so your money can be handed out to the less fortunate or more accurately the lazy. Lastly there is no bravery in wanting your government to take care of all your problems. Our forefathers would be ashamed of the society they have enabled to become so entitled.

To Post Business: we are now staffed to appropriately maintain advertised hours and have them posted. The family picnic will be happening this Year on August 29th. Tickets will go on sale July 1st. Menu specials are always a great value for you an your family. Come out and support the people whom protected the freedoms we are all giving away so easily.

Disclaimer: no small animals, children, adults, government employees, elected officials, or founding forefathers have been harmed in the writing of this column.

As always Hope To See You Soon

Another month gone by. Hopefully we are heading in the right direction and not have to deal with anymore Pandemic. It has been hard on all of us but we need to move forward and make our country Great Again.

As President of this organization I am looking forward to working with each and everyone of you as well as the post officers. We are a team and we will work together. We need to make our post and Auxiliary strong again.

Post 8951 is planning on having the family picnic on August 29th, 2021 between 12 and 4pm. Tickets will be available behind the bar on July 1st, cost is \$12.00. Kids ages 3 to 18 cost \$3.00, over 18 will pay full price. We will be having chicken, hotdogs, hamburger’s French fries, corn soup, and corn on the cob. Come out and enjoy the fun with your family and friends from the post. Any further details will be in the August newsletter.

Please look for our upcoming events and fundraisers. We are planning on having a great year, without our members we could not succeed.

The Auxiliary would like to thank each an everyone of you that bought tickets for the Red, White, and Blue Cooler fundraiser. Tickets will be available to July 2, 2021. Drawing will be held on July 2, 2021 at 8pm. All these funds will go towards our cancer fund. Every year we donate \$2.00 to cancer for every VFW Auxiliary member. We currently have 903 members.
