February was named after a Roman term which means purgation, or in Latin terms expiation (look them up). Today we would say purification of mind, sorta. Back in the day people spent days in the desert because it invites deep reflection on realities. So what does that mean to a biker? When we've had a rough day or a week, taking a solitary ride on our motorcycles can invite that deep reflection and cleansing of the mind. It can help us breathe and wash away the bad decisions and possibly guilt that we may be feeling. Taking that ride can help guide us to what is truly important in our lives. I would like to invite everyone to take that ride to the desert, however it may be, so we can turn our hearts in the right direction. Ride hard, play hard, love even harder! God Bless!

Stewards Corner

Welcome to the February edition of the stewards corner. This month love is in the air or is that Febreze these days? It's hard for me to tell. I gave up looking for love 33 years ago because my wife told me so. Now if you're looking for a place to take that special someone you first need to figure out what day to celebrate. Valentines is on Tuesday this year. That makes things a bit awkward. Do you rev things up the weekend before, or the weekend after. What to do? Well the only logical thing is to have a whole week of romance. Start on the Friday the 10th with Steak & Lobster or Lobster & Lobster then Sunday the 12th come out and celebrate the Super Bowl, then on the 14th come out for bingo, and end Sat the 18th with the Riders Group Bike Night with Miller Lane. In between all that loving, stop and nourish yourself. We have great specials all month long and they'll leave you with enough change to get some of those love oils, special perfumes, or unmentionables.

As always
Hope to see you soon

To the Brothers, Sisters, Members & Guests of W.Y. VFW Post 8951

Another month has passed by. My grandma always said the older you get the faster they go. She was right.

On Sunday the 15th we held a program for all the Voice of Democracy and Patriot Pen Winners. We had a total of 47 people including students who attended this program. We gave out Medallions, Certificates and Cash awards to our 1st 2nd and 3rd place winners. I want to thank Chris Ruff for his participation in the program, but a very special thank you to Carol Schrum for all the hard work she did to make these programs a great success and putting together the event for these students and family.

The Auxiliary offers several programs for students from 2nd to 12th grades. There are a couple of programs that are still available for them to enter.
