WELCOME NEW MEMBERS

January 2023

Post Meetings

Post meeting will be held on January 17th, 2023 at 7:00 PM with the Home Association meeting to follow. All active members are encouraged to attend both meetings. This is the place to get your suggestions heard. Directors meeting will be held Jan 16th , 2023.

I have been asked, “what do bikers do in the cold months when they don't ride?” I actually have friends that pull their bikes into their house and work on them through the winter months, who would think? And honestly I have to tell them we do ride, just not as much. A lot of biker organizations are taking this time to make plans for the up and coming year. Our group is actually meeting with other groups to coordinate activities with each other for 2023. We form committees to cover different subjects so our objectives can be met once the weather changes. I can personally say that we have been greatly blessed here at 8951. we have so many willing to give their time and energy to serve not only each other but their community and Veterans near and far. If you find yourself wanting to serve in this way for the new year coming, just ask, we will point you in the right direction. As always, play hard, love even harder, GOD BLESS!

Stewards Corner

Welcome to this months edition of the Stewards Corner. The first one of the New Year 2023. Most of the month we all will be recovering from December's hangover. Slow Sluggish cold and blustery is what is in store for us all this month. Metamucil, a couple of aspirin, and a warm blanket are not the answer. Get up, get out, and get yourself moving around. You have credit card bills you say. Well our prices are so low you can still get out, and make that credit card payment with cash to spare. It's to cold to go out you say. I say haven't you heard about global warming. There is really no excuse for not coming out this month.

It's not to early to mention the Big Football Game Super Party o February 12th 6pm until the game end. Unfortunately with the current state of financial situation in the world we are forced to raise our Drink prices, we apologize but our costs are rising insanely just as yours are. We sincerely are always looking for ways to give you the best quality, service, and value that we can.
