Stewards Corner

Hello Welcome to this months Stewards Corner. March is the month we finally leave winter behind and get past those doldrum days of cold and dreary weather. The hope that the sun may shine again soon returns to us, with the help of Day Light Savings time and with it a little extra sleep. The first day of Spring happens this month as well. Then we can throw Saint Patrick’s Day in as a good reason to party until you turn green. Outside of all these earth shattering happening’s, the best thing this month is the fact that if your reading this that means you are a member and if you’re a member you are entitled to all the great Food Special’s we have lined up this month. You also are entitled to the saving’s as well (which are going to end up in your gas tank anyway).

As Always

Hope to See You Soon

Larry E. Myers

March may be named after the Roman god of the war but in reality it’s one of the happiest months of the year. Flowers are budding, chocolate is on sale, it’s major holiday is just one giant party. And it’s prime time for harvesting maple syrup. For us it’s time to take the covers off of our motorcycles, getting the polish out and the beginning of riding season (not that we totally stopped but you get the meaning). The days of just taking a quick go around the block will be turning into rallies and fund raising events. Ahh... the smell of spring’s fresh air and the rumble of all those motors again gets the old ticker going and brings us out of those winter doldrums. If anyone understands why dog wanna stick their heads out of the window I can tell you that a biker knows why. It’s the time of the year for renewal in nature and from within ourselves. Play hard, ride hard, and love even harder! God Bless!
